

ST BARTHOLOMEW'S CE MULTI ACADEMY TRUST

All God's children Learning and Achieving Together

CONTEXTUAL SHEET

THE TRUST

St Bartholomew's CE MAT was formed on 1st September 2016 with St Bartholomew's CE Primary School being the founding member of the Trust. The flagship school has been judged to be Outstanding (Ofsted 2009 and 2014) and is a National Teaching School. This growing Trust (which includes St Benedict Biscop CE Primary School, Woodfield Primary School, All Saints' CE Primary School in Trysull, Woodseaves CE Primary Academy, Gnosall St Lawrence CE Primary Academy and Haughton St Giles CE Primary Academy) offers multiple opportunities for professional development and further career progression across the Trust. The successful candidate will be supported by the CEO, Headteacher and senior leaders. At St Bartholomew's CE MAT we place the child at the centre of all that we do.

St. Benedict Biscop CE Primary School and Woodfield Primary School joined the Trust in December 2016 and September 2017 respectively. **All Saints' CE Primary School** joined the Trust in February 2020. **Woodseaves CE Primary Academy, Gnosall St Lawrence CE Primary Academy and Haughton St Giles CE Primary Academy**, all based in Staffordshire, joined the Trust in March 2021.

All schools in the Trust now have attainment that is significantly above the national figures at the end of KS2 and progress that is mostly above average. Many of our children are more able and have the potential to be working significantly above age related expectations. High expectations, a child-centred ethos and good curriculum knowledge are all essential.

These are happy, calm and successful schools which are very well supported and valued by parents.
